USAID HONDURAS

Solicitation Number: 72052723RC00001

Migration Technical and Learning Advisor
(Resident-hire USPSC)

The United States Government, represented by the U.S. Agency for International Development (USAID) Honduras, is seeking applications from qualified U.S. Citizens or U.S. Resident Aliens interested in a Personal Services Contract (USPSC) for a [illegible] to provide technical support and monitoring of [illegible] activities.

The advisor will report to the [illegible] Team Leader and serve as a liaison [illegible] and Partner alike. [illegible] technical expertise and academic authority [illegible] the Mission's [illegible] offices and staff in the areas of [illegible] and ensure the integration of [illegible] into [illegible] and [illegible] of the Mission's Population Governance Office Strategy. [illegible] and [illegible] activities [illegible] and [illegible] in reporting against the Results Framework to implement the Root Causes and Collaborative Migration Management Strategy [illegible] other regional and [illegible] activities [illegible] programming. [illegible] and USPS new management, analysis and measurement to [illegible] migration programming [illegible]. The Advisor will closely work with the Mission's Geographical Internal or System (GIS) Team at the Regional Prosperity Migration Activity Manager for Honduras programming, and the Agreement Officer/Contracting Officer Representatives (AO/CORs) for the Mission's migration activity and the COR for the Mission-wide Monitoring, Evaluation and Learning (MEL) contract. [illegible] will serve as the Alternate COR for one or both of these activities as well.

REQUIRED QUALIFICATIONS:
(All applicants must address each qualification criterion detailed below with specific and comprehensive information supporting each item).

EDUCATION: The applicant must have a Master's Degree in economics, science, development, business management, public administration, international affairs or other related academic discipline. Applicants possessing higher level degrees are also strongly encouraged to apply.

PRIOR WORK EXPERIENCE: [illegible] years of progressively responsible professional or program experience in development programs, or related public policy and research programs with multilateral and bilateral donors, NGOs, and/or U.S. government institutions is required. Experience working on or doing research on migration, reintegration, or registration task areas is required. Experience responding to calls for information, data requests, and providing both oral and written responses in a timely manner is required. Experience with donor agency/mission organization, procedures, and operations systems (e.g., development approaches, procedures for programming funds, defining objectives, monitoring results, and procedures for managing grants and contracts) are required. Those candidates with additional professional experience relevant to the position are strongly encouraged to apply.

LANGUAGE PROFICIENCY: Excellent English writing and speaking ability is required. Demonstrated capacity to communicate complex policy, strategy, and program issues orally and in writing in a clear, concise, and well-organized manner. Must have strong knowledge of written and spoken Spanish. These requirements will be tested through written and/or oral evaluations.

JOB KNOWLEDGE: Knowledge of best practices in monitoring and evaluation of multi-sectoral programs is required. Knowledge of policy and practice regarding collaborating, learning and adapting to ally public USAID/Honduras staff including senior management, office directors, DO teams and the CLA working groups on how to realize progressive, CLA-oriented design, management, monitoring and adaptation practices through USAID/Honduras' CDCS implementation. Knowledge of migration, reintegration and reintegration topics is required. Specific knowledge on these topics in Central America is preferred. Knowledge of the structure and workings of the U.S. government is desired. Strong working knowledge of Microsoft Office applications, statistical analysis software, Internet and Google applications, and ability to design presentations and other content that is both user-friendly and communicative.

SKILLS AND ABILITIES: Demonstrated strong analytical, management and organizational skills are required. Demonstrated professionalism and sensitivity regarding topics of concern. Ability to conduct oneself professionally and represent the USG in formal and informal settings. Demonstrated ability to exercise sound, independent, professional judgment. Excellent organizational and critical thinking skills. Excellent written and verbal communication skills with a demonstrated ability to translate highly technical material into easily-to-understand narratives. Possession of strong interpersonal and cross-cultural skills. The ability to work independently in a team setting and with minimal supervision. Superior project management skills and the ability to take initiative working with the direction of management. Must be able to take ownership of projects, creatively problem solve and see through to completion. Superior levels of time management while working under pressure in a fast paced and sometimes difficult environment.

ADDITIONAL SELECTION CRITERIA:
1. The selected applicant will have to satisfy the requirements of a pre-employment medical and security clearance.
2. All applicants must be U.S. Citizens or U.S. Resident Aliens in order to be eligible for consideration. U.S. resident alien means a non-U.S. citizen lawfully admitted for permanent residence in the United States. Additionally, all interested candidates must have the required work permit or documentation that allows the applicant to work legally in the country in order to be eligible for consideration.
3. This position is located in USAID/Honduras, Tegucigalpa. The incumbent must be willing and available to fulfill the terms of this contract in Tegucigalpa, Honduras.
4. The Market Value established for this position is $95,973.00 – $124,761.00 equivalent to GS-14 as per the 2022 General Pay Schedule. Final compensation will be negotiated within the listed market value. Other allowances will be granted as applicable in the Cooperating Country.

INTERESTED APPLICANTS MUST FOLLOW THESE INSTRUCTIONS TO BE CONSIDERED FOR EMPLOYMENT

DAI

Monitoring, Evaluation, and Learning (MEL) Director

The Honduras Local Governance (HLG) Activity works to improve public service delivery processes through increased citizen alliance and improved governance. The Activity ensures that health, education, and other critical services are expanded, deepened, and made sustainable as part of a holistic effort to promote local governance.

Role's Purpose:
The Monitoring, and Evaluation, and Learning (MEL) Director is responsible for overall monitoring evaluation management all program activities. The primary function of the position is to provide technical leadership to capture program intervention results, ensure high-quality, timely, valid and verifiable data collection, reporting and analysis. This individual is responsible for the implementation of the MELP and ensuring that a Collaborating, Learning, and Adapting (CLA) approach is fully embraced, including developing, implementing and monitoring a learning and adapting agenda to inform COP, USAID and other stakeholders of the lessons learned. Additionally the Director will serve as a member of the Senior Management Team, provide strategic decision making support to the COP in areas of M&E, CLA and data, as well we enhance HLG's Knowledge Management, especially between the Communications, M&E and Program Areas.

Key Personnel Requirement:

- S/He must meet the following education and relevant work experience requirements: must hold a MEL and 8 years of relevant work experience, a PhD and 10 years, a Master's and 12 years, or a Bachelor's and 15 years.
- S/He must have at least twelve (12) years of international development work experience including at least 5 years in the Latin American region and/or preferably in the Northern Triangle in a field related to monitoring and evaluation of local governance and municipal management sectors.
- S/He must have proven experience in data analytical analysis, interpretation and knowledge management implementation approaches.
- S/He must have at least eight (8) years supervisory work experience, including: (1) direct supervision of professional and support staff; 2) quality evaluation of staff performance and deliverables, and (3) project management under contract(s).
- Language requirements: Level IV Interagency Language Foundation (ILR) score. Full professional proficiency in English and Spanish are required.

For more information about the position and how to apply visit **bit.ly/MELDIRECTOR** or scan the QR Code.

The application must be submitted no later than **December 16, 2022, before 5:00 pm, to GLH_recruitment@dai.com**, a complete by a Letter of interest and indicating the name of the Position to which you apply.
