

LEADCOM SEATING'S PREMIUM AUDITORIUM SEATING INSTALLATIONS

LEADCOM SEATING always keeps in mind that high-quality and durable products help our customers succeed. Whether your project is large or small, simple or complex, LEADCOM will be a seating partner that you can surely count on.

Our professional sales representatives are very helpful in solving problems you may have during the installations. We not only provide every project with detailed assembly instructions for easy local installation, but also on-site installation support if you need.

The following pages offer brief project reference of our hot sale models. If you would like to know more information about our auditorium seating, please visit our website www.leadcom.cc, email us at info@leadcom.cc, or give us a call, we are more than happy to discuss and help you find the perfect seating solution to fit your needs.
